

"...your faith is being reported all over the world" Romans 1:8

#WhenMomsPray

"Whatever ground is gained for Christianity in one generation can be totally lost in the next if the former generation fails to impart passion for the things of God to their children. So parenthood is a great blessing-not only to us but to God as well-because through our children the hope of God's people taking dominion and advancing His kingdom in the earth can live on, growing with each generation." -Mike Shreve
